

Youth Fencers Compete!

Friday, 29 May 2009

On Wednesday, May 27, 2009, our youth fencers got an opportunity to compete against each other and each with their own personal coach helping them out!

Personally, I was pulling for my fencer, Caroline, but I think we were robbed by our pool referee...oh wait, that was me. We were robbed, Caroline!

Not only did I see some great fencing by everyone, but I saw our fencers using skills they have learned in class. Everyone did a great job fencing, discovering new target areas and doing parry ripostes.

I also want to congratulate our teen and adult coaches! I was very happy to see some great leadership and coaching skills coming from our teen and adult coaches and I think the kids really enjoyed working with them.

A special congratulations to Brendan who took first place in the tournament. DESPITE arriving late! :) Good patience, good use of footwork and distance and way to keep the point forward and on target -- GREAT LUNGES TOO!

Congrats to everyone else that competed (Timmy, Jack, Caroline, Malaya, Jeb, Sophia, Michael, Adam and Daniel). I haven't said it before, I really enjoy working with you. See you next Wednesday!
