The All-American Fencing Academy is hosting basic classes for fencing at several locations throughout the Cumberland County area. Satellite classes and programs can be found at Fayetteville Academy, Flaming Sword Academy and Pine Forest Recreation Center. More locations may open up soon. If you have an interest in having a fencing program at your location, please contact us.

Satellite programs are also being offered at the All-American Fencing Program through Fort Bragg's Child, Youth and School Services' SKIESUnlimited Program and a Home School Fencing Program.
